Receive 100 coffee capsules for € 5 when you purchase a Nespresso machine

You've purchased a product that includes a promotion. This is a promotion by the manufacturer where you receive 100 coffee capsules at a discount when you purchase a Nespresso machine. These are included with the delivery of your order. Read below how this works.

Promotion

You'll receive the coffee pack directly with your Nespresso machine. This is a Coolblue-exclusive promotion. We'll take the entire registration process out of your hands. By allowing Coolblue to share your information with Nespresso, we'll take care of the whole registration process. You don't have to take any extra steps yourself in the purchasing process. You only have to give us permission to share your information. That way, you can benefit from the promotion right away. Don't want this? Benefit from a comparable Nespresso promotion. You can do this via the Nespresso promotional page: <https://promotie.nespresso.nl/machine-registration>. Note: that promotion can differ from our promotion.
